

Carbery Sailing

PARENTAL CONSENT (AGE 16-18)

Dear Parent / Guardian,

Through continual risk assessment and reviewing legislation, Carbery Sailing is committed to working with parents / guardians and students to ensure a safe and professional training environment.

As your son / daughter will be under the age of 18 at the commencement of his / her course, please be aware that they will not be supervised outside of their shore based hours or when on shore leave.

Accommodation aboard our yachts is based on two people sharing in bunk style cabins. Where possible we will place students of a similar age and sex together, however, please be aware that it is likely that your son / daughter will be sharing with those over the age of 18.

Please consider the following points:

- Conduct outside of contact teaching is entirely a matter for the individual student, irrespective of age.
- Under 18's will not be permitted alcohol aboard Carbery Sailing yachts. However, we are unable to control such matters outside of this environment and therefore the responsibility lies completely with the individual.
- All students are required to abide by the Code of Conduct at all times.

Please confirm your acceptance of the above by signing below and returning the document to Carbery Sailing. If you have any concerns regarding any aspects of supervision then please feel free to contact us.
